

## INTERNATIONAL POSTER AWARD TERMS AND CONDITIONS 2014

### 1 A poster for CAE

At the International CAE Conference, held in Pacengo del Garda (Verona) on October 27<sup>th</sup> and 28<sup>th</sup> 2014, EnginSoft, for the third year in a row, champions and sponsors the "Poster Award", a contest dedicated to recognizing the use of CAE technologies that are illustrated on posters.

EnginSoft's constant commitment and interest acknowledges the importance in disseminating the culture of simulation. The purpose is twofold: offering recognition to excellence and innovation of projects developed in the academic field, and providing a privileged meeting space between the university experiences and the industrial world.

This contest is open to students, graduates, researchers, and / or faculty members such as professors from Universities and Research Centers.

Participation is free.

The five best posters will be awarded: the candidate list will be drawn up according to online voting which will be accessed by registered users and members of the Scientific Committee.

In the section "Poster Award" of the International CAE Conference website any information and communications relating to the contest (terms and conditions, application forms, voting procedures, deadlines, notifications, etc..) will be published and made known.

### 2 Poster dimension

Posters are to be submitted in English, and are required in the following dimensions and format: width 70 cm, height 100 cm, pdf format at 150 dpi.

### 3 Poster features

The subject of the poster is free: each entrant may submit a study / research / project / case studies of any subject area or industrial sector where one or more CAE simulation software, commercial and / or open source, have been used.

The Poster must contain the following information:

- Title of the project / research;
- Targets of the project / research;
- Obtained results;
- Universities and partners involved;
- Author / authors of the poster.

By participating in this contest, universities / research centers and individual entrants consent to the use of their personal data (name, surname, or belonging to a research institution), the poster and its

contents, and the acquisition and dissemination of photographic, digital, audio, video and multimedia materials, obtained within the activities related to the event, including any subsequent editions, for promotional and informational purposes. Furthermore, the author / authors agree / agrees and authorize / authorizes the organizers of the contest to use his own / their own image.

Materials can be used in any area and will be freely accessible on the web.

#### 4 How to enter

To enter the contest you need to complete the on-line application form, found in the "Poster Award" section of the website [www.caeconference.com](http://www.caeconference.com) by September 30<sup>th</sup> 2014.

#### 5 Divuligation

Posters will be published in the poster award section of CAE Conference website.

The best posters, selected according to online voting, and those ones belonging to the winners of the contest will be exhibited at the International CAE Conference.

Moreover, a piece about the event, with the results of the contest and its related photographic material will be published in the EnginSoft Newsletter a Magazine about "Simulation Based Engineering & Science" at the end of the contest.

#### 6 Scientific Committee

A scientific committee, composed by experts of virtual simulation, will be appointed and evaluate the received posters.

#### 7 Voting

The voting of posters will take place with an on-line system: registered users and members of the Scientific Committee are allowed to participate in the voting.

Different weights shall be attributed to the two categories of users:

- registered users: weighting factor 1;
- members of the Scientific Committee: weighting factor 3.

All information related to the voting (regulation, voting procedures, deadlines, etc..) will be published through the website.

#### 8 Awards Ceremony

Authors of the posters are kindly requested to take part to the awards ceremony.

At least one author of each winning poster will have to confirm and guarantee the organizing secretary of the contest his presence during the ceremony, otherwise the prize will be awarded to the authors of the subsequent poster on the list.

## 9 Prizes

The author of the best posters (or in case of multiple authors, their representative) will be hosted by EnginSoft and will have access to all the initiatives across the two days of the International CAE Conference. Furthermore, the 5 posters classified as winners will receive a smartwatch as a prize.

In case a winning poster is attributed to a group of authors, the prize will be given to the entire group of authors or the groups designated author.

## 10 Liability

The organizers of the contest (EnginSoft as promoter and sponsor) cannot be held liable in the event that the contest were to be postponed to a later date, interrupted or canceled, and they have the right to cancel the contest without prior notice and at any time.

The acceptance in the contest is at the discretion of the organizers, and in any case EnginSoft reserves the right to exclude any submissions from the contest, in its sole discretion, posters deemed unsuitable.

EnginSoft assumes no responsibility for the loss or damage of the submitted material, in any format, and will not be liable for any damages, incidental or consequential, including, without limitation, lost profits or any form of advantage, even economic, arising from improper use of information, contained in the posters, and disclosed.

## 11 Participants' obligations

Participation in this contest implies full and unconditional acceptance of these terms and conditions.
